Hello Sweetheart:

I sure hope that my
little girl is feeling much
better by this time, for
she sure was on the outs
last night and I don't
mean naby.

Now sweetie about the
watch do just as you
think best about it I can't
see where it is any ones
business where it came from
I am not asking you to tell
that I gave it to you, But
write you self about it wearing
it, it seems as tho I have
caused you a great deal of
trouble and worry in the last

for week and sweetheart if you
want it so I will just be
a patient as once before, But
get that old leaving out of your
head for I will do that if we
both cant stay here for I
am the cause of it all and
you have made too many good
friends to pick up and leave
so snap out of it old dear
for I will always love you
on difference what might
happen so please dont forget
that

we are glad that the
Party was a success.

say sweetie when that
some day comes for all of
those promises it surely will
take a day for all of them.

Eyons just stuck his head
in at the door and said that
no one would ever catch him
out in this wind with out
weight on his coat tail, same
old Eyons.

But write when ever
you feel like it and be
your old self again. -
Love on Kiss me or Kill me
Sweetheart.

Love

("Old Badman")

P.S.

I will send this by Express
if you can't read this send
it back and I will try it
again.
